Fax: + 49 (0)30 – 2 69 75 – 100**

Data requirements for *digital* copy

Issued Feb. 2009

1 – Transmission by e-mail:

→ repro@baerenballons.de

PC	CorelDraw (.cdr / .eps)	12.0		Vector programs
	FreeHand (.fh / .eps)	11.0		
	Adobe Illustrator (.illu / .eps)	12.0		

The following criteria must be observed for processing your digital graphics and text:

- Typefaces: Supply typefaces embedded in the graphics. Typefaces should always be inserted into vector drawings.
- Vector graphics: Always create drawings in the vector programs listed above so that individual objects in the graphic can be handled separately.

→ ***proof and digital data
for vectorized files: € 5,-
costs for further graphical works are depending on spent time.***

Yours sincerely
The reprographics team
